UNITED STATES ARMY

My Darling,

I have just written to Mildred telling her my thanks for all she has done for me. She has really been swell. Of course she would be because she is one of the family, your own sister, the same flesh & blood. I like her very much.

You know I am just now getting really acquainted with her. Always before she has seemed rather distant to me, but this time she seemed very close to me and was really swell.

Lt Hoffman and I went to the G.I. Show tonight and saw, (Something for the Boys) it wasn't very good, but it passes away the time.

~~Starting~~ did you love me or not
I was listening to the radio and
writing what I heard. Ha. Ha.

Do you know I love you Honey?
Well I sure do and with all my heart.
You mean more to me than all
other things on earth. Honey I am
praying that it won't be long until
we can be together again. This
old war has to end sometime and
believe me when it does it won't
take me long to get back to you
and all the things we are hoping for.
It may take a long time for us
to get all those things but it would
be such fun working together, saving
and trying wouldn't it? Oh I love you
baby and I sure want to come home
soon.

Have you heard anymore about
how badly Ed was hurt? I hope
he is ok by this time. That guy is
ok in my books.

UNITED STATES ARMY

Honey I hope you are getting my letters by now. I have been writing like a good boy should, in fact that is about all I do. But I love writing to you because it makes me seem closer to you. Darling I love you.

Honey save the Christmas present for me until I write for it. I don't know how long I will be here so I will write you when I get a more permanent address. Tell all the others who want to send me things to keep them until I ask for them.

I have a present for you which Mildred is either going to mail to you or bring if she gets to come out there Christmas. It isn't very much but I think you will like it.

maybe just what you want, I don't know, but I sure hope you like it.
over

Darling I am very lonesome tonight
and can't think of much to write. What
I do write may not make sense, but
if you can feel the way I do, maybe
you can understand.

How are Bill & Flo? I hope they
are on good terms again. It would
be awful if he should go away while
they were having hard feelings.

Do you think you will stay
at Ma's if Bill goes to the Army?
You and Ma could be a lot of
company for each other and I would
sure like for you to stay there
if you want too. I think I can
awful lot of those Kids. Tell them
Hello for me and for them to write
me when they can.

Darling I will close for now
because I can't think of anything to
say except, I Love you and miss you
terribly.

Always Your Loving Hubby
Bob
